HHP Law Firm.

Daru Lukiantono is the Head of Intellectual Property & Technology (IPTech) practice group. Daru has been leading the Firm's sizeable IP team with more than 25 years of experience behind him.

Professional experience

Practice Focus

He advises domestic and international clients on the full range of contentious and non-contentious intellectual property work, covering trademarks, patents, copyrights, industrial designs, trade secrets, layout designs of integrated circuits, and plant varieties.

He has robust skills in handling commercial intellectual property related transactions, including licensing, intellectual property rights, acquisition, franchising and domain names and information technology issues, intellectual property litigation, as well as a number of anti-counterfeiting projects in several major cities in Indonesia. Daru is an intellectual property practitioner who has experience in complex intellectual property due diligence and management cases. Moreover, he possesses a range of experience in patent prosecution, patent portfolio management, commercial patent work and patent litigation.

Daru received a scholarship from the Association for Overseas Technical Scholarships (AOTS) and the Japanese Institute of Invention and Innovation (JIII) to attend the IP Training Course for Patent Experts (IPPE) in Tokyo, Japan (January-February 2004).
